Henry Sportel Dies When Tractor Overtures

Death came suddenly Monday afternoon to Henry Sportel, aged 65, when the tractor he was driving, which was towing a trailer, jack-knifed and turned over on him in a small ravine a few miles from his home.

At the time of the accident, which occurred about 4 p.m., Mr. Sportel was going south up a small incline. Consensus of opinion is that he made an attempt to change gears and failed, causing the tractor and trailer to go out of control.

The mishap was discovered by N. W. H. Hunsberger, who, together with local medical officers, Coroner H. W. Epp said Tuesday no inquest will be held.

Funeral services for the deceased, who is survived by his wife, will be held on Thursday, August 2, at 2:30 p.m., from the Evangelical Church, Didsbury.

Midway News

(From Our Own Correspondent)

Mr. Robert March returned Saturday from a month's vacation in Edmonton with his cousin, Norman Asmundson. He also attended the Edmonton Exhibition and took in a little fishing at Seba Beach and Edmonton beach.

Mr. and Mrs. H. Swanson motored to the Peace River country this week. Vacation Bible school is being held at Midway school the week of 23-28. There was a program Saturday evening. Between 35-40 children attended.

Mr. and Mrs. T. Wahl of Consort visited Mr. and Mrs. H. Pross.

Mrs. Sadie Coulter of Calgary spent last week at the home of Mr. and Mrs. F. Taylor.

August 4, 8 p.m. Lone Pine Hall a shower will be held for Miss Lola Pross. Everyone welcome. Pot luck lunch.

Fallen Timber

(From Our Own Correspondent)

Mr. and Mrs. C. McMullen and Miss of Cappon have been visiting at the home of Mr. and Mrs. R. McMullen Sr.

Mr. and Mrs. W. Fyten and girls spent a week at Jasper.

Mr. and Mrs. C. Rosted and family were weekend visitors at Innisfail and Breton. They are intending to move to Breton in the very near future.

The Fallen Timber Church Vacation school was held from July 23 to July 31 with 63 children enrolled. We were very fortunate to have 12 adults to help. The children thoroughly enjoyed the course and begged to have it continue for ten days longer.

Gary and Monty Moore and Mr. and Mrs. O. Moore of Calgary have been visitors at the home of Mr. and Mrs. Johnny Howton during vacation school.

Mrs. O. Moore of Calgary has been a visitor at the homes of Mr. and Mrs. J. Howton, Mr. and Mrs. Bob Moore, and Mr. and Mrs. E. Adams this past week.

Visitors at the home of Mr. and Mrs. Johnny Howton for dinner Sunday were Mr. and Mrs. Robert Moore, Gary and Monty, Mrs. Lily McGaffin, Mr. and Mrs. J. H. Cooper and Rev. C. and Rev. R. Moore.

Rev. C. and Rev. R. Moore were visitors at the home of Mr. and Mrs. Ben Neyor Friday.

Miss Edna Bruts of Carsairs has been a visitor at the home of her sister, Mrs. Joe McGaffin.

Oliver Thorson was a recent visitor at the home of Mr. and Mrs. Stan Morrison.

Mr. Bob Moore has gone to Coleman to work on an oil rig.

We hear that the Harris children from Calgary have been visiting at the home of their grandparents, Mr. and Mrs. C. Dick. While here they have had the measles.

Marion Moncay has gone to Carsairs to work.

Mr. and Mrs. C. Dick were Didsbury visitors Saturday, as was Mrs. E. Wright.

Mr. and Mrs. Custer and family have been visiting at the home of Mr. and Mrs. C. Dick.

Many of the locals would like to know how the men on the pipe line can work ten hours a day, seven days a week, in Alberta where we are supposed to have a "Sabbath Law."

Shown above is 8-year-old Norman Pratt, a patient in the Red Cross Crippled Children's Hospital in Calgary. The two friends on either side of him are lion cubs, who make

their home at the St. George's Island Zoo. The furred characters make periodic visits to the hospital and are great favorites with the wee ones who don't manage to make it

to the island for a visit with their friends. Norman, son of Mr. and Mrs. Norman Pratt, was stricken with polio at the age of four years and now, four years later, is making a great recovery and is expected to be there when they call the grade three roll at Didsbury school, come September. We'll be looking forward to seeing him — with the cubs.

EARLY DEADLINE . . . HOLIDAYS COMING

Due to the fact that the majority of local business people are calling Wednesday, August 1st, a holiday we are pushing our paper out just a bit sooner. Could be some late news will be missed but that's one thing we must go along with when the Lions are holding a Jam-boree.

One other thing . . . part of our staff are leaving this week. We'd appreciate your co-operation in letting us have your ad and news copy S.A.P. for the next three weeks!

WESTCOTT JUNIOR W.I. PLAN PICNIC AT RED LODGE

The Westcott Jr. W.I. held their regular meeting at the home of Mrs. Gordon Ford.

The roll call was "Where I met my husband." The delegates' reports were left for the next meeting as several members were absent.

Plans were made to have a picnic at Red Lodge Park, August 17th, if rain held off for a week later.

The rest of the evening was spent finishing up some Red Cross work.

"The Queen" was sung and a nice luncheon was served by the hostesses.

Pioneer Resident Passes Away

James Andrew McGhee died in the General Hospital Tuesday at the age of 70. He resided at 419 29th Ave N.W.

Mr. McGhee was born in Sarnia, Ont., and came to Innisfail in 1898. He was the CPR station agent at Innisfail, Olds, Camrose, Stettler, Carsairs and Didsbury, remaining in Didsbury from 1912 to 1940. He then moved to Brooks where he was station agent from 1940 to 1951. He had resided in Calgary for the past five years.

Mr. McGhee was first president of the Western Yukon Fish and Game Association and past president of the Alberta Fish and Game Association, and past grand patron of the Alberta Grand Chapter of the Order of the Eastern Star, and Past Master of the Camrose Lodge AF and AM.

He was also a member of Kinsmen, AF and AM, past grand principal of Royal Arch Masons, and a member of the Lodge of Perfection and Rose Croix, Alberta Consistory and the Al Azhar Temple, and the Royal Order of Jesters.

Mr. McGhee was also a member of Crescent Heights Church. Surviving are his wife, Helen of Carsairs; two daughters, Mrs. M. J. (Barbara) Ford of Swan, Alberta and Mrs. A. C. (Evelyn) Thorson of Carsairs; a stepson, Hugh D. Williams of Calgary, and eight grandchildren.

Rev. D. M. Fawcett officiated at the funeral service in Gooder Brothers Chapel Thursday at 3:30 p.m. Creation followed. Jubilee Lodge AF and AM held graveside services.

BIRTHS AT DIDSURY MUNICIPAL HOSPITAL

To Mr. and Mrs. Abe Loewen, of Didsbury, on July 25, a son.

To Mr. and Mrs. Henry Friesen, of Carsairs, on July 26, a son.

Golf Notes . . .

The Ladies Golf Club has been very active this summer. Every Thursday is "ladies' day" and any interested girls are cordially invited. Tee-off time is between two and two-thirty.

"Sunday Calaway Handicap," played on July 19, was won by Mrs. C. Mc-Nichol, and Mrs. S. Devine was the winner of the "tomestone tournament" played last week.

Next week's competition is the "honey-pot" which requires a complete score. This week will be another hidden-hole competition.

Was She Embarrassed ??

As a subject of embarrassment I have some sympathy for Mrs. Cotes-Predrey. Napier Moore writes in The Financial Post. I don't know Mrs. Cotes-Predrey, but she was embarrassed! Mrs. Cotes-Predrey (pardon the repetition, but it's not rather a nice rhythm) owns Tibbs Farm, at Ascot. It is a field. It has five bathrooms.

The managers of Mrs. Arthur Miller (better known as Marilyn Monroe, whose low-cut dresses and provocative wiggles have caused something of a stir outside of cricket hours) thought before her arrival the Tibbs Farm would be a comfortable home. They contracted to rent it for four months at \$280 a week. On the strength of this, Mrs. Cotes-Predrey gave interviews to the press and appeared on TV. She offered to do the flowers for the Miller's first weekend — 40 vases, no less.

And what happened? The Millers didn't go to Tibbs Farm. The rent was paid all right, but they didn't go there. Instead, they moved into one of the stately homes of England, the mansion of Lord Moore (oh, dear no — we aren't related) at Englefield, Surrey.

Well, if you'd been Mrs. Cotes-Predrey you'd have felt embarrassed, wouldn't you?

CHRISTIAN SCIENCE
The value and importance of right motives in daily living will be emphasized in the Christian Science service this Sunday.

Reading from "Science and Health with Key to the Scriptures" by Mary Baker Eddy in the Lesson-Sermon entitled "Love" will include the following (454:17-21): "Love for God and man is the true incentive in both healing and teaching. Love ins派nes motives, and motives, in turn, lead the way. Right motives give decisions to thought and strength and freedom to speech and action." The freedom-giving power of divine Love will also be brought out in the Scriptural readings which include the following (John 4: 18): "There is no fear in love; but perfect love casteth out fear; because fear hath torment. He that feareth is not made perfect in love."

PROPOSED ADDITION TO THE Municipal Hospital AT DIDSBURY

Vote "X" For Progress In Hospitalization

This information has been compiled for the benefit of those who will vote on the plan presented. For further information, see any member of the Hospital Board: J. W. Rupp, chairman; C. D. Harder, vice-chairman; J. H. Hosegood, A. M. Robertson, Ed Ford, Paul Lausen, Carsairs, R. G. McArthur, secretary-treasurer.

THE PLAN

The plan provides for the erection of an addition to the present Didsbury Municipal Hospital of a 10-bed Maternity Wing, complete with nursery, labor room and case room on the ground floor. The basement to contain a Matron's suite and twelve rooms for the staff.

FACTS AND FIGURES

In 1944, the Didsbury Municipal Hospital District was formed, consisting of 425,380 acres. Since that time 42,380 acres have been added by the Department of Health order and Town of Carsairs.

The population of the Didsbury Municipal Hospital District is 6,000. Federal and Provincial authorities are agreed that a hospital should have seven beds for every 1,000 of its population within the area served. Your hospital has 4 beds per 1,000 population. The proposed new wing will make available 6 beds per 1,000 population.

In 1951, the beds were occupied to 87½ per cent of capacity. (Normal rate is 75 per cent of capacity.) The first six months of 1956, bed occupancy was 92 per cent of capacity.

In hard facts, what this really means is: that from January 1952, until now, the waiting room in the hospital has been used as a Children's Ward; during the cold winter months your doctors and nursing staff were obliged on occasion to nurse six patients in a four-bed ward, nurse two patients in single-bed private wards, nurse pneumonia alongside surgical cases with the risk of infecting fresh wounds.

OUT-PATIENT FACILITIES

During 1955, your hospital looked after not only 961 in-patients, but also 1200 out-patients. At present your hospital has no facilities of any kind for the examination of the 1200 out-patients. Examinations have to be conducted either in the Waiting Room, so often in use as a ward, or in the corridor, or as a last resort, in the Labor Room, which of course should be reserved for the conduct of maternity cases and not for purposes mentioned above.

THE PURPOSE

To provide the best hospital and nursing services for the Ratepayers and their dependents in the district, and to ensure that there is a hospital bed available at any time for anyone in the district requiring hospitalization.

The prime necessities are for: (1) an increase in the total bed space of some 8-10 beds; (2) provision of reasonable facilities for (a) examination of outpatients, (b) treatment of minor wounds and minor surgery, which constitutes a large part of any hospital's working day; (3) decent living quarters for the staff of the hospital.

Who May Vote

- (a) All persons liable to pay Municipal or Improvement District Taxes within the Didsbury Municipal Hospital District, No. 33, or liable to deliver a share of crop as rental on Provincial Government lands within the district.
- (b) The wife, husband, sons and daughters, of the full age of twenty-one years, and residing with such persons in the district.
- (c) If your name is not on the voters' list and you are qualified to vote, you may do so by signing a declaration on a form provided under the Act, at the poll on the day of voting. Ratepayers may vote at any poll.

WHERE TO VOTE

On the reverse side of this sheet there is a list of polling stations. The polling will take place on Saturday, August 4th, 1956, from the hour of 9 a.m. in the forenoon to 6 p.m. in the afternoon.

WHY VOTE ON THE PLAN?

The Municipal Hospital Act requires that those who reside in the Hospital District shall themselves decide whether or not they wish a hospital addition to be built. To do this a vote is taken to record the number for and against the by-law. A two-thirds majority of those voting is required before the by-law is approved. Therefore, every ratepayer should take a lively interest in the matter, studying the many points in favor of the scheme, and make sure that his vote is cast in support of this important matter of public welfare.

Because the present operating and nursing accommodation for expectant mothers and their children, the future generation, is not near adequate, the Didsbury hospital board has decided that the solution for hospital accommodation is to build a new maternity wing attached to the east end of the present hospital. This scheme will release some 8 to 10 beds. In addition, it will provide you with a room in which you can be examined on entering the hospital either as an out-patient or an in-patient; it will also provide a Minor Operating Room, leaving the larger present-day Operating Room clean always, and surgically sterile for the conduct of surgical operations, 486 of which were performed in your hospital last year. It will provide a room in which patients may wait for X-ray (875 of which were done in your hospital last year) and for Laboratory investigations (1,302 of which were done in your hospital last year).

The extension will also, in its basement, provide adequate room for the professional nursing staff, who require as minimum facilities the privacy of a single-bed room, a dining room of their own and a room in which they may pass their few leisure hours in some comfort and to which they may invite their friends. This hospital is, after all, the home of these girls for the months and years during which they serve you when sickness occurs.

The addition of staff quarters will release the Isolation suite for the treatment of Isolation cases.

THE COST

The 1956 assessment of the Didsbury Municipal Hospital District is approximately \$7,000,000.00.

The debenture repayment, including interest on \$98,000.00 will be \$8,024.00 per year for 20 years.

One and a quarter mills on the above assessment will raise \$8,109.25. This means if you own property assessed at \$6,000.00 it will cost you \$7.50 in taxes per year. This is not a large amount to pay for the extra facilities provided.

CONSTRUCTION GRANTS

The Dominion and Provincial Governments have combined to give Construction Grants amounting to \$1,500.00 per bed for all new hospital construction. It is expected this grant for the proposed new addition will amount to \$18,000.

THE WARD RATES

The ward rates for ratepayers and contract holders will remain at \$1.00 plus 60c extras which equals \$1.60 per day. This compares with non-ratepayers' rates of \$10.50 per day at present.

Notice of By-Law**

1. Wallace Warren Cross, Minister of Health, pursuant to Sec. 71 of the Municipal Hospitals Act, R.S.A., 1945, as amended, and pursuant to any other appropriate section of the said Act, do hereby direct that a vote shall be taken on By-Law No. 1, as enacted by the Didsbury Municipal Hospital Board, which By-Law is hereinafter recited:

BY-LAW NO. 1, 1956

A By-Law Relating to the Issue of Debentures of the Didsbury Municipal Hospital District No. 33, of the Province of Alberta.

Whereas it is necessary and desirable that the sum of Ninety-Eight Thousand Dollars (\$98,000.) should be borrowed on the security of the Didsbury Municipal Hospital District, No. 33, of the Province of Alberta, for the purpose of building and equipping an addition to the Didsbury Municipal Hospital, repayable to the bearer in twenty (20) consecutive annual installments with interest at not more than six (6) per cent per annum.

NOW THEREFORE, the Board of the said district enacts as follows:

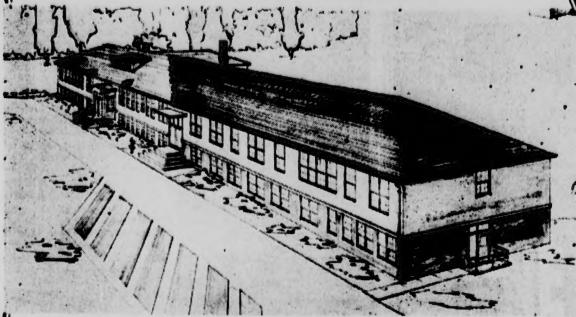

1. That the Board do borrow the said sum of Ninety-Eight Thousand Dollars (\$98,000.) or any less sum, pursuant to the provisions of the Municipal Hospitals Act, and that debentures of the said district be issued for such amount, payable to the bearer in twenty (20) consecutive annual installments with interest at no more than six (6) per cent per annum, payable annually; and said debentures shall be executed by the Chairman and Secretary-Treasurer of the Board.

Done and passed this 22nd day of June, 1956.

J. W. RUPP, Chairman.

R. G. McARTHUR, Secretary-Treasurer.

Ramblin'

and

Roamin'

This Is The Big Vote . . . next Saturday, August 4th, ratepayers will go to the polls to cast ballots for or against an addition to the present inadequate hospital facilities now prevailing here. Interested business and professional men, the Town of Didsbury, M.D. of Mountain View and the Olds School Division have sponsored two pages in this issue in an effort to make clear the great need of the proposed new wing. We trust voters will turn out in force — we trust they will mark their ballot with an "X" — in favor of the addition.

Do They Help Or Not . . . according to the experts they've made a difference. We're speaking of hail suppression. During the past week this area, and most others in this and other provinces have run into some mighty bad thunder storms. The result (at time of writing) very little damage within the target area; heavy, but heavy damage in other areas. Don't know if anything has been proven but it sounds good.

Here We Go Again . . . same story, same road, plus a few extra dips. Our monitor can't be reaching those in charge at Edmonton — it's now a year and 112 days since we figured they meant it when the big promise came through that our entrance road would receive a new coating. You can ride on promises but it's sure 'nuff rough riding on the road in question.

Who Do We Love This Week? . . . the large, multi-subscribed London Times which decided Marilyn Monroe, the much pictured, much quoted Hollywood star, didn't even deserve a small space in the news columns of the time-honored journal. Of course, if she were to visit Didsbury, we would consent to an interview, with police protection and our good wife's consent.

PROGRESS

The old narrow trails where two cars could barely squeeze by without crowding, are now being replaced by modernly engineered super highways where there is enough room for six to eight cars to collide at once.

DID IT WORK?

Frank and George stood laughing on the street corner, when Willie came along and asked what was so funny.

"Well," Frank said, "I went into that bar and ordered a drink. When I finished and the bartender asked for my money, I told him I had already paid him, and the dobe believed me."

"Yeah," George said, "Frank told me, and I went in and did the same."

Willie immediately walked in, sat down, and ordered a drink. When the bartender brought the order and said, "You know; in the last twenty minutes, two guys have come in here and . . ."

"Cut the gab," Willie interrupted, "and give me my change."

HELP YOURSELF

A young man and his heart's desire were walking in the country. "Would you like a kiss?" he asked, somewhat bashfully. The girl did not reply, so half and hour later he repeated the question. Again she failed to answer. More walking, then another try.

"Joan, are you shy?"

"No," she replied without emotion.

"Are you paralyzed?"

JUST THIRSTY

"I sure wish I had my wife back," sighed the mountaineer.

"Where is she?" asked his friend.

"Sold her for a jug of mountain dew."

"I reckon you're beginning to miss her."

"Nope. I'm thirsty again."

that are inseparable. We must accept our duties, in the fields of social and moral activities or lose our freedom.

Most of us meet our responsibilities according to our convictions. Conviction being those attitudes that govern our direction in life and purpose for living. There are people who have no convictions, and who do not live up to them. During the war many people bought bonds and refused to take the interest. The amount of interest so refused was \$1,400,000. These folks refused their interest because to them war is a day to be condoned. They bought bonds because as Canadians they must meet the obligation of citizenship. To them there must be nothing that looked like personal benefits. This was done for conscience sake. Our convictions are always stable, or flabby according as we value a pure conscience. Paul said he had "always a conscience void of offense toward God and man. A good conscience is the foundation of peace and freedom."

"Lord let Thy precepts ever be

Deep written in my bosom.

That I may never stray from Thee.

Nor wander from Thy freedom."

GOOD MECHANIZATION PAYS BY GETTING A LOT DONE WHEN CONDITIONS ARE RIGHT

A big advantage of good mechanization is its ability to get a lot of work done in a hurry once you can get on the land to put the crop in or into a field ready to be harvested. This work output of good equipment pays off in two ways — it enables you to offset or foretell the effects of unfavorable conditions and with it you can make the most of the period when conditions are most favorable. You stand to benefit the most when you can do a lot of seeding or harvesting when the time is right.

From the 1966 Massey-Harris and Ferguson lines of equipment engineered to meet the needs of farming today you can select machines that will enable you to gain the advantages of modern mechanization — your local dealer will be glad to give you full particulars.

DISTRICT NEWS

M.V.B.C. NEWS

[From Our Own Correspondent]

President Taylor and family spent the weekend in Edmonton. They attended a wedding there. Mr. Taylor will be a teacher at the Gulf Lake Camp which convenes this Tuesday.

Mr. Arthur Eby will be teaching a class of boys and girls at the Gulf Lake Camp this coming week. Mrs. Eby is also to be commended for the youth rally held at the United Missionary Church last Friday at which time a gold medal contest under the auspices of the W.C.T.U. of which she is local president, was held. Her daughter, Miss Grace Eby won the medal. There were four contestants, Grace Eby, Wayne Stauffer, Lillian Stauffer and Anne Suder. Miss Suder was the only one from eastern visitors have been at the college as guests of Mrs. Suder and Miss Eby during the past week. Mr. Waldron Eckstein of New Dundee, Ontario, Miss Beulah Rosenburger of Kitchener, and Miss Ida Rosenburger of Saginaw Mich. These are relatives of the Reists and Mrs. Don Reist who have been visiting among them for the past week. Miss Ida Rosenburger had the misfortune of having illness while here and has been confined to her bed. Mrs. Pearl Lamont has graciously cared for her in Mrs. Suder's home while the others visited relatives and friends. She has been under the care of Dr. Paul. They left for home on Monday.

We were glad to welcome Mr. and Mrs. Donald Suder into our midst recently. Friends and former pals of the young couple were entertained at a get-together Sunday afternoon at the Iris Stauffer home. Among the guests present were also Mr. and Mrs. James Gandy of Alberta and Mr. and Mrs. John Hall, Chalmers, who were married in 1948. Mr. and Mrs. Gandy were the former John and Hallie Garrison.

Summer time does bring many of our former young people into our midst and it is always a delight to welcome them back.

Miss Eby's fine young people class has re-organized with the following results: president Duane Umbach, vice-president John Doe, Sec.-Treas. Betty Reist, social convener, Marilyn Umbach. These young people met in Miss Eby's home last Tuesday evening to plan for the year's program in the Sunday school class. They have some fine projects in mind.

It was good to see former students back in town on Sunday, Earl Reimer, Wally Stauffer, Clarence Stauffer, Doren Snyder and a prospect, Clifford Stauffer.

The school kitchen was a busy place last Thursday when a number of ladies canned for the Gulf Lake Camp and made about twelve pounds with our fine noodle-maker. You should see it turn out the results. We are in the canning business again. Mrs. Harley Traub and Mrs. Walter Reimer seemed to be masters at the art of turning the machine and preparing the dough for cutting. It didn't really take very long to do this amount.

The W.M.S. of the United Missionary Church Conference are getting a number of new dresses for the college. These are the new kind of plastic that will neither stain, crack nor break, and come in a variety of colors. They can be secured only through special agents, and one of our ministers who is doing this work received the order. The college is adding some to this amount, and this winter we will have out tables set with pale green dinner and bowls of contrasting shade in rose. We appreciate this society for the many things they have done for us.

The dining room drapes were placed there by them, new tables for the dining hall were provided last year, and now dishes for the tables. The Alumni Association has placed chairs to match the tables in the dining room also. We will be proud of our new dining room this winter. When we have open house you will want to be sure to come.

We are hoping that our enrollment will be increased this winter. At present we have a prospective list of about 60 young people who have never been here before. Of course we know from past experience that many of these will not come, but still this is so, we hope that many of this number will find their way here.

The college offers splendid courses that are worthy of study and we feel that Mountain View Bible College need not take second place to any school of its nature. We appreciate the reception the students have received in the past years by the merchants and people of the town, and

trust this year shall be no exception. A few are asking for a bit of work and should there be those who require Saturday help we shall be glad to consider the matter.

REDEEMER PASTOR

Rev. E. B. Fox announced to his congregation on Sunday, July 29, that he had declined the call extended to him from the Lethbridge parish. This action was taken in accordance with the request of the voters of the congregation, who at their regular meeting on July 22, requested that the pastor continue his ministry in the area. Rev. Fox has been serving the Red Deer congregation since January of 1947, when he came to Didsbury from Calgary. Pastor Fox has spent 15 years in the ministry, serving six years at Calgary and the balance in the Didsbury parish.

The congregation picnic held at Rough Hill on Sunday, July 29 was attended by well over 200 people. In the morning service the pastor showed that Christians are in continual warfare with the enemies of Christendom, and especially with the devil. Then to strengthen and encourage the Christians, he showed what means of defense and offense God has given his children.

After the service the weather was cloudy, girls were enjoyed by both young and old in the afternoon. The single girls defeated the married women in a game of softball; but the married men outplayed the single men. Rev. Fox announced that on Thursday, August 9, the Rev. Milton Popp, missionary on furlough from Japan, will be a speaker at Rev. George's. The special services will begin at 8:00 p.m. and the public is most cordially invited. Rev. Popp is a native Albertan, having received part of his ministerial training at Concordia, Edmonton. He served Peace Lutheran church, Peace George, B.C. before entering the foreign mission field at Japan. Rev. Popp will also show colored slides to illustrate his lecture.

The Elkin Women Workers will hold their August meeting Wednesday, August 8 at the home of Mrs. Lee Evans.

Fewer Immigrants

Immigration is down this summer an easier bidder in the European labor market, says Michael Barkway in The Financial Post. After several years of choking off would-be immigrants, unless they happened to fit into predetermined categories, both business and government are again scouring the field. We again want more people, we can get more.

The immigration problem, which in the first post-war years could be filled by pressure from the European end, can now only be filled by suction from this end.
